Project Registration/Nomination Form
Page 1 of 2

United Way Estevan will mobilize various members of our community who will volunteer their time to complete meaningful, hands-on projects for you, or someone you know, who otherwise is unable to complete it themselves.

Projects that are suitable are those that can be completed in one morning or afternoon, or day and could include such things as painting, clean up, landscaping, etc. **All projects must be outdoors due to COVID-19 restrictions.**

We will strive to match up anyone needing some assistance with the great many volunteers in our community – and all that needs to be provided is the materials for the task.

Name of Organization/Individual: _____

Address: _____

Phone: _____

Email: _____

Project Information: Project # _____ of _____

Please Note: We request you assign projects in order of importance to you. While United Way Estevan will be making all attempts to complete 100% of approved requests, we would like to ensure your most important project(s) are completed with priority.
